***By registering your team you're agreeing to have any photo(s) uploaded to be used on CLASI's social media accounts.**

Rules and Regulations

WWW.CLASASKATOON.ORG

- *The Quest YXE runs from May 28th to June 4th. It is a city wide scavenger hunt. Winners will be determined based on points earned throughout the completion. The most points wins. This is not a timed event. The competition will close June 4th at Noon.*
- *Each team can have as many or as few people as they wish. We expect that all SHA Covid 19 regulations will be followed throughout this event. (Compete with people in your bubble, wear masks and social distance when necessary)*
- *Each puzzle solved will earn you 5 points. You must have a group photo in front of the correct location. The proper location must be visible in the photo and there must be at least one team member in each photo. Scavenger hunt location photos must be emailed to thequestyx@clasaskatoon.org.*
- *There are 5 bonus games and they will earn you 2 extra points each if completed appropriately. If the bonus game is a competition then only the winning team will receive the points. Bonus game photos and videos will be uploaded to our Facebook and Instagram pages throughout the week.*
- *Winning teams will be announced on the afternoon of June 4th. We ask that winning teams have their photos taken when they are picking up their prizes.*

Drive Carefully and have a great time!

Donations

WWW.CLASASKATOON.ORG

If a team is able to obtain donations, they will be awarded additional points that go towards their final score. Each \$20 donation will equal one point.

The more donations, the higher the points.
